Johnny Greene has fished his entire life, both as a commercial fisherman and as a recreational angler. He bought his first boat at the age of 12 after saving the money he earned from cutting grass and other odd jobs. Today he owns and operates Intimidator Charters.

Greene has been involved in fishery management since the late 1990s, and in 2009, he was appointed to the Gulf Council.

He has served as Chair of the Marine Reserve Committee and Vice Chair of the Restoration Committee. He is also a longtime member of the Orange Beach Fishing Association and sits on its board of directors.

Greene’s biggest pleasure is watching kids fish and giving parents the opportunity to make a memory that will be forever cherished.
